

ONSEA HOUSE

COUNTRY INN
&
GUEST COTTAGE

Onsea House Country Inn & Guest Cottage is voted the best luxury bed and breakfast in Arusha and recommended by several experts as only boutique hotel and hip hideaway in the Arusha/Kilimanjaro region. Enjoy greater comfort and better food than any other guesthouse or restaurant, with more personalized service than in a hotel and more privacy than a lodge resort. Onsea House can be your home base for safaris across northern Tanzania.

Onsea House is also a recognized centre of culinary excellence. Taste the freshly made brasserie dishes accompanied by the finest specially selected wines. Their Michelin experienced Belgian chef prepares a fusion of exquisite European and African delights based on seasonal specialties. Just call or email to book a table for brunch, lunch, evening with friends or that special candlelight dinner occasion.

The cozy and tranquil Country Inn consists of 2 double suites opening onto the shared terrace. The adjacent self contained Guest Cottage, each room with private wooden balconies, can easily accommodate 6 people. Experience the calm African-Colonial setting, with tastefully decorated rooms with four poster beds, mosquito nets and en-suite bathrooms.

The outdoor Jacuzzi and floodlit swimming pool with lawn bar are the perfect place to prepare or recover in style from your safari or mountain climbing adventure. The manicured tropical gardens, hillside walking trails, lounge, terrace and cocktail bar in the main house will ensure the perfect relaxing atmosphere and make you want to extend your stay.

Onsea House is perched on a hill providing unparalleled panoramic views across the Maasai steppe, Monduli Mountains and unrivalled spectacle of Mt. Meru. Discover this idyllic setting for spectacular sundowners and a truly rural feel only 7 minutes drive from Arusha town centre and 30 minutes from Kilimanjaro International Airport. The Belgian owners are happy to share their in-depth local knowledge. They can provide tips on local events and cultural visits around Arusha or NGO projects which are supported in the immediate neighborhood.
